The Monthly Board Meetings have been moved from the Third Thursdays of the month to the Third Tuesdays of the month.

Here are a few links that you may find beneficial!

The Fair Credit Reporting Act (FCRA) requires each of the nationwide credit reporting companies — Equifax, Experian, and TransUnion — to provide you with a free copy of your credit report, at your request, once every 12 months. The FCRA promotes the accuracy and privacy of information in the files of the nation's credit reporting companies. The Federal Trade Commission (FTC), the nation's consumer protection agency, enforces the FCRA with respect to credit reporting companies.

A credit report includes information on where you live, how you pay your bills, and whether you've been sued or have filed for bankruptcy. Nationwide credit reporting companies sell the information in your report to creditors, insurers, employers, and other businesses that use it to evaluate your applications for credit, insurance, employment, or renting a home. Crooks use clever schemes to defraud millions of people every year. They often combine sophisticated technology with age-old tricks to get people to send money or give out personal information. They add new twists to old schemes and pressure people to make important decisions on the spot. One thing that never changes: they follow the headlines — and the money. Stay a step ahead with the latest info and practical tips from the nation's consumer protection agency. Browse FTC scam alerts by topic or by most recent.

We will be taking nominations at the August meeting for the new board.

The following information is taken from the Bylaws:

From Article III

Section 6: Voting. The Declaration governs voting rights that provides that only one vote may be exercised for each Lot for which the member's dues are current. When more than one person owns an interest in any Lot, the vote entitled by the ownership of such Lot shall be exercised and counted as one single vote as the co-owners may themselves determine. Lots which are annotated as one Lot for assessment shall be allowed one (1) vote. Lots which are designated as unbuildable according to the Declaration of Covenants, Conditions and Restrictions, will not be afforded a vote.

All voting for election of members of the Board of Directors and/or other matters deemed necessary by the Board of Directors shall be by secret ballot. The Board of Directors shall determine if ballots may be cast in absentia by members with the notice of meeting, according to Article 111, Section 3, these Bylaws. Ballots must be marked without reference to the member's identification. For ballots cast in absentia, the marked ballot will be placed in an unmarked envelope, which will be placed in an envelope marked with the member's Lot identification. Upon receipt, the Secretary will confirm the currency of the member's dues and remove the unmarked envelope containing the ballot. The unmarked envelope containing the ballot will be passed by the Secretary at the appropriate time.

Article IV

The Nominating Committee shall be appointed by the Board of Directors at any time prior to the Special Meeting called for such purpose of nominating persons to be elected to the Board of Directors, to serve until the close of the annual meeting.

Section 2: Election. Election to the Board of Directors shall be by secret written ballot as stated in Article 111, Section 6, these Bylaws. The persons receiving the most votes shall be elected. Cumulating voting is not permitted.
