### HOA Dues & Collections

By now, you should have received your invoice for the 2014 Annual HOA Dues. Remember that if you pay for the year, you get a 10% discount on the total due for a total of \$189.97 rather than \$211.08! What a DEAL! With that invoice you should have also received a short form to provide your email address and telephone number. You can mail it in with your payment or drop it in the Country Place mailbox with NO POSTAGE in the clubhouse parking lot to save a stamp! We will also be publishing a neighborhood directory for residents only. Only those providing this information will receive a copy of the directory.

### Covenant Support

In the 1960s, about 500 HOAs existed in the United States, and they've been increasing in popularity ever since. Today there are more than 325,000 HOA communities throughout the United States. That's a major increase in the past 50 years. So, what purpose do all these HOAs serve?

First and foremost, a homeowners association is an organization of property owners that administers the rules and upholds the Protective Covenants of a subdivision or development. When you live in a neighborhood with an HOA, its rules affect and limit what you can do to a property you own. The rules and covenants are enforced by the HOA's Board of Directors and Covenant Committee. That's good news to some, since HOA Covenants and Bylaws preserve the value of your property by ensuring neither you nor your neighbors do anything like park Campers, RVs, Boats, Commercial Vehicles, and Utility Trailers in their driveways, yards, or in view from any street, or park vehicles in the streets.

The bad news is that you can't necessarily do what you want with your own private property. Both directors and homeowners have a duty to uphold their ends of the bargain. Neglecting to do so could lead to legal action. More than 15% of homeowners in Country Place have Covenant Violations that diminish the integrity of the neighborhood. This is not okay. Our Protective Covenants are in place to ensure that our homes and community maintain the highest level of beauty and value.

Recently letters were mailed to property owners to identify areas in which they were violating Protective Covenants. Many of you have corrected those issues and already the neighborhood is shaping up. Thank you so much! However, there are still some homeowners who have not complied, and those owners are facing legal action.

More letters are being mailed to notify owners of Covenant Violations. Louisiana State Laws support HOAs when it comes to Protective Covenant Enforcement. No one wants to go to court. We all just want to protect our investments and enhance our property values.

Luckily, 85% of all the homeowners in Country Place already abide by the rules. We must be proactive and get this number up to 100%. If you are notified of a violation, please take appropriate action to make it right.

Homeowners associations have other roles, as well. In return for monthly or annual dues, HOAs provide neighborhood amenities, such as playgrounds, landscape maintenance, the club house, pool, and tennis courts. Our tennis courts need renovating, and we will soon decide on what changes the HOA can afford to do, based on the 2014 Annual Budget.

Be responsible and know your HOAs Bylaws, Rules, and Protective Covenants --and follow them. Go to [www.countryplacehoa.biz](http://www.countryplacehoa.biz) and click on **Documents and Map** for detailed information on all the rules and laws of the community. No one is exempt from obeying these rules.

### A few notes from some of the board members

*As the new volunteer secretary, I have big shoes to fill following Becky but I will do my best. I'm trying to learn everybody's name so please don't be offended if I have to ask more than once. I hope to see and meet you at our next meeting on January 16..... Janet Toloso.*

*Being the new newsletter volunteer, I will try to make the newsletter interesting and informative. If you have any items of interest, please email me and I will do my best to include them in the newsletter. You can always view the newsletter at [www.countryplacehoa.biz](http://www.countryplacehoa.biz). ....Mitzie Cochrane*

*A message from your beautification board member - Please do not leave your Garbage Cans in front of your garage. Place them on the side of your house, in back of your house, or inside your garage. They are unsightly when left out all the time in view from the street.*

For those of you who are bagging leaves, it doesn't matter how many bags you have, along with limbs, appliances and large items, you can call the Bossier Parish Police Jury at 965-3752 and they will come and pick them up for you at no charge. They normally come the day after you call. What a great service this is!

#### Annual Report

The Profit & Loss Statement was sent out with the CPHOA Invoices. This will show you what the cost is to run Country Place each year. We are committed to providing this an Annual Financial Report for everyone to review. Should you have any questions or concerns, please come to one of the meetings to voice those concerns with your neighbors..

**Mark Your Calendars - The Next Meeting Will Be:  
JANUARY 16TH AT 7:00 PM**

#### Newsletter

As mentioned in the last newsletter, to keep up with the times, and eliminate the high cost of printing and mailing the news-letter, this will be your last paper copy of the newsletter. It will be emailed from here on as well as being posted on the website at [www.CountryPlaceHOA.biz](http://www.CountryPlaceHOA.biz) .

We will also use your email address in the future for emergency announcements, such as recently when we had an issue like the proposed road closing at our entrance and also when there was a water boil advisory.

#### Pool Update

The pool has a substantial leak which required much more salt & water than normal this past summer. We are in the process of locating the issues and determining the cost for repairs. We will update everyone in the next Newsletter.

#### Babysitting List

- Kim White: 344-2940 Sara Ryan: 426-3302
