## TACO RING

## Ingredients

1 pound 97% lean ground beef or turkey  
½ cup chopped onion  
¼ cup chopped green peppers  
1 package taco seasoning mix  
4 ounces reduced fat Mexican blend cheese, shredded  
2 tablespoons water  
2 tubes (16 rolls total) Pillsbury Crescent Rolls  
1 egg white, lightly beaten, for wash

## Instructions

Preheat oven to 375 degrees F.

Brown ground meat with onion and green peppers in large skillet, breaking into crumbles. Drain any grease or liquid, then remove from heat.

Stir in taco seasoning mix, cheese, and the water. Mix well and set aside.

Unroll crescent dough and separate into 16 triangles. Arrange triangles in a circle on a 13 inch round baking stone with wide ends of triangles overlapping in the center and points toward the outside. (There should be a 5-inch diameter opening in the center of stone.)

Scoop filling evenly over the widest end of each crescent roll triangle in the ring, then finish assembling the ring by bringing the outside points of triangles up over filling and tuck under wide ends of dough at center of ring. (Filling will not be completely covered.) Brush wreath with egg white.

Bake 25-30 minutes or until golden brown.

Fill cooked ring center with toppings of choice, such as: shredded lettuce, salsa, chopped tomatoes, chopped onions, sour cream, or a black bean and corn salad.

### Country Place Resident Makes us Proud!

Erica Murray, a 17 year old resident of Country Place, has made her mark at Louisiana Downs this year. She has become a jockey and was recently named Jockey of the Year! Erica has won over 10 races and is making a name for herself, competing against many other jockeys with more experience in the saddle. We are proud of you Erica! Keep up the good work and know that we are all pulling for you!
