**Please remember...the Speed Limit on ALL streets in Country Place is 20 MPH. And STOP signs mean come to a COMPLETE STOP.** If you see someone speeding, take down the license plate number and call the Bossier Parish Sheriff's Office at 318-965-2203.

**Not only for speeders but please remember to call the Sheriff's Office at 318-965-2203 if you see something suspicious or out of the ordinary in the subdivision. We are a Neighborhood Watch Community and want to look out for one another.**

**At our last HOA Board meeting, a resident attended and reported that he saw 2, yes TWO dogs being run over intentionally. There is absolutely no sense in this and if anyone is caught doing that, the Sheriff's office WILL BE NOTIFIED. The person that saw this was unable to get the information on the car but could tell it was intentional. Ducks have also been hit in the past and who knows, the next time it could be a child. I'm sure a child would not be hit intentionally but if speeding is involved, it is very possible. Some drivers are always distracted with phones and looking at them, instead of the road. Please drive responsibly and safely.**

## ROASTED VEGETABLE ENCHILADAS

**INGREDIENTS:**

- 1 yellow squash, chopped into  $\frac{1}{2}$  inch pieces (about 2 cups)
- 1 small zucchini, chopped into  $\frac{1}{2}$  inch pieces (about 2 cups)
- 1 small bell pepper, chopped (about 1 cup)
- $\frac{1}{2}$  sweet onion, chopped (about 1 cup)
- $\frac{1}{2}$  tablespoon olive oil
- $\frac{1}{2}$  teaspoon salt, divided (to taste)
- $\frac{1}{2}$  teaspoon pepper, divided (to taste)
- 2 teaspoons Mexican seasoning, divided
- 14.5 ounce can low sodium black beans, rinsed and drained
- 14.5 ounce can petite diced tomatoes with green chilies, drained-Original or Hot
- 10 Yellow corn tortillas
- 10 ounce jar/can Enchilada Sauce
- 2 cups reduced fat, 2% Mexican blend cheese
- Olive Oil Spray or any other Non-Stick Spray
- Toppings: fresh cilantro, chopped avocado, jalapenos, or fresh tomato

**INSTRUCTIONS:**

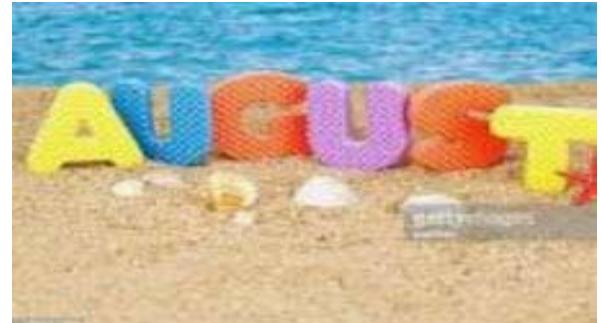

- Preheat oven to 400 degrees.
- Combine squash, zucchini, pepper & onion in a large bowl. Coat with the olive oil, half the salt, pepper and Mexican seasoning.
- Pour mixture in a single layer on a cookie sheet. Roast in oven for 10-15 minutes or until tender.
- Let mixture cool for long enough to touch. Pour back in large bowl. Reduce the oven to 350 degrees.
- Add the black beans, tomatoes and the rest of seasonings to the bowl. Use the rest of salt, pepper and Mexican spices to season to taste. Gently fold them all together. You want to keep the integrity of the roasted vegetables so be gentle.
- Now it's time to assemble the enchiladas! Spray a baking dish with olive oil spray. Put a tortilla in your hand and sprinkle it with a small amount of cheese.
- Add  $\frac{1}{2}$  cup of the vegetable mixture on top of the cheese. Gently fold the tortilla around mixture and place in the baking dish seam down. Repeat with the remaining filling.
- Place the enchiladas close together to keep them from unrolling.
- Cover enchiladas with the sauce and the remaining cheese.
- Bake for 20 minutes at 350 degrees or until cheese is brown and bubbly.

**IMPORTANT REMINDERS:** Please do not put basketball goals out by the street. They overhang into the street and they are dangerous to the kids playing basketball and easy to hit if someone isn't paying close attention or if someone is in a large vehicle, like a truck or pulling a trailer. They should definitely not be left there overnight, either. They can easily hinder emergency vehicles, as well. On a similar note, cars should not be parked in the streets either for the same reason. They can hinder emergency vehicles and also prevent drivers and bicycle riders from seeing oncoming traffic.

**NOTICE:** Please be sure your garage doors are closed, even when you are home. It is like an open invitation to thieves walking or driving around if they see an open garage door. Also, remember to always lock up your vehicles and don't leave valuables in sight, even if locked. That is very tempting to thieves.
